

Product fiche : N2 – BNE2 condens  
Referring to Commission Delegated Regulation N° 811/2013

Model	N2 condens	BNE2 condens
<b>Medium temperature application</b>	condensation	condensation
<b>declared load profile for water heating</b>	-	XL
<b>Seasonal space heating energy efficiency class</b>	A	A
<b>Water heating efficiency class</b>	-	B
<b>rated heat output (kW)</b>	22	22
<b>Annual energy consumption for space heating (Kwh)</b>	11975	11975
<b>Annual energy consumption for water heating (kwh)</b>	-	6474
<b>Seasonal space heating efficiency %</b>	93	93
<b>Water heating efficiency (%)</b>	-	69
<b>Sound power level indoors LWA:</b>	69	69
<b>Able to work only during off-peak hours:</b>	No	No
